Overlaps – Electricity Generation (solution)

Each row consists of two 5-letter words overlapping by two letters. Fill in two letters to finish the first word and start the second. For example, with S E I _ _ B R A, you would fill in ZE to make SEIZE and ZEBRA. The letters you add, reading vertically, will spell two closely-related words associated with electricity generation.

B	R	U	S	H	A	F	T
U	N	I	T	Y	I	N	G
W	I	R	E	D	U	C	T
R	A	D	A	R	G	U	E
G	I	Z	M	O	T	O	R
