

Photo Release Form – KidWind Challenge

This form must be used for each individual photographed or recorded who is not employed by Kansas State University Engineering Extension. Those without a signed photo release form will be asked to wear a nametag or colored lanyard in a visible manner so that photographers can easily identify and avoid taking their photo. This form must be signed by the student's legal guardian or parent, unless the student is over 18 or an emancipated minor, in which case they can sign for themselves.
