BRAIN BUSTERS

All Change Game

In each string below, change one letter every time it appears to a different letter to create a common eight-letter word.

Example: Change every **G** in **GOGENTUG** to **M** to create the word **MOMENTUM**.

The seven pairs of letters, like **G** & **M** in the example, will spell out one of the many benefits of energy efficiency.

1. M L N L T L N E   1. _____   _____   _____
